EMIGRATION FAIR 20110 - 15th EDITION

THE WHOLE WORLD IS COMING TO THE EMIGRATION FAIR ARE YOU?

On February 12 and 13, 2011 already the 15th edition of the Emigration Fair will take place in Expo Houten in Houten, Utrecht, the Netherlands. This unique event has become synonymous with international opportunities and serves as a meeting point for those looking for the best in international life, be it through a change of career, a sabbatical or career break, leveraging business opportunities, studying, living abroad or making a fresh start abroad.

THE BEST RESOURCE FOR A FUTURE ABROAD

PROPERTY ABROAD/INTERNATIONAL RECRUITMENT/BUSINESS IMMIGRATION/INVESTMENT/STUDY/TRAVEL ABROAD

Going abroad from the Netherlands, Belgium or Germany? Emigrate 2011 is the major orientation and starting point for departing emigrants, expats, students, agricultural workers, contractors, entrepreneurs, independent professionals, job-seekers, self-employed and business immigrants, all of whom visit the Fair to get acquainted with a broad range of possibilities, services and products in an informal setting. Going abroad has become an established trend in the region, and Emigration Fair 2011 outshines other events by providing the only platform offering real opportunities for personal contact between the various target groups. Participation in the Fair reinforces your brand, your products and your corporate image. EmigratieBeurs BV has developed a proven and successful strategy whereby participation becomes especially interesting for exhibitors and partners, by offering

them access at no additional cost to a wide range of media possibilities, from websites to the exhibition catalogue, throughout the year.

PROVIDING A UNIQUE MARKETING OPPORTUNITY

The attractive and extensive communication platform provided by Emigration 2011 enables you, as a participant and exhibitor, to reach motivated and targeted potential customers across borders and across time zones, 24 hours per day, 365 days per year. Utilizing a variety of media approaches, Emigration 2011 offers its customers and partners a unique opportunity to inform this pre-selected demographic on the value offered by your organization, tailoring your message to reach its ideal target.

The Fair is held annually in the modern and sophisticated

Houten Exhibition Centre in Houten, Utrecht, the

Netherlands, and offers **12000M2 - Exhibit Hall**, showcasing all Exhibitors at the Fair. Visitors are encouraged by the spacious and well-lit Fair layout to visit all Exhibits and stands throughout the building to discover the many opportunities available. In addition **The Seminar Series** presents over 80 hourly seminars, at no extra charge to visitors, featuring a broad range of topics and speakers of interest to Fair participants.

INTERNATIONAL CAREER

WHERE TALENT MEETS OPPORTUNITY

If your organization is seeking to recruit international talent, then the Emigration Fair is an event you can't afford to miss. Now in its 13th year this show provides an

exceptional return on investment for foreign companies and recruitment consultants seeking to extend their international recruitment strategy. We target highly skilled and motivated professionals who desire a career change and are considering migrating to meet these goals. This demographic is highly motivated, understands the challenges posed by cross-border relocation, possesses superior educational and vocational skills and is very employable. The Emigration Fair puts multinational or foreign organizations such as yours in touch with these high potentials, meaning your recruitment efforts are far more targeted, and therefore effective.
