Dear Sir, Madam,

Emigrate 2011 - EmigratieBeurs 2011, the largest emigration event of its kind under one roof to take place in the heart of the Netherlands, has moved to a larger location in Houten/Utrecht from 12/13 February 2011 for the 15th year following a hugely successful series of previous shows.

This show aims to cater for those who are just looking to see if they can leave the Netherlands, Belgium or Germany right through to those who are looking for opportunities to settle, to find employment, to set up a business, to study or start new life abroad.

180+ Exhibitors from all parts of the world will be at Emigratiebeurs 2011 representing the EU countries, New Zealand, Australia, Canada, South Africa, South America and the USA. Apart from recruiters, migration specialists, removal firms, financial companies, universities and relocation agents, exhibitors will include many long haul and European destination governments, regional and government departments too. EmigratieBeurs really is the essential show for anyone seeking more information about how to start a new life abroad.

An extensive mediamix offers full event coverage for international mobility. A combination of Fair Event, the detailed Fair Guide, and the related Fair websites in various languages guarantee your organization's message is delivered to a pre-selected, and pre-focused, demographic.

Subject to final confirmation, we expect there to be 80 presentations on each day given by migration experts on the various destinations.

Your organization can take advantage of this unique opportunity to reach target customers directly, by taking a stand, or combining stand presence with a presentation. Refer to the enclosed folder for more information, and please do not hesitate to contact the helpful client representatives at Emigratiebeurs BV and let us help you make the most of your participation in Emigration 2011.

Kind regards
